*Called to be Mercy, called to be one  
All with Mercy, all with love  
With Jesus as our Saviour, we all are one  
One with God...All with God!*

God of our past, God evermore  
We remember those who came before  
With courage, compassion and hearts full of faith  
People of Mercy, showing us the way

*Repeat Chorus*

Christ in our midst, Christ in our hearts  
Being Jesus with each other, reach out in love  
Learning from Jesus, be all we can be  
People of Justice, people of peace

*Repeat Chorus*

The Spirit calls us forward, to build a better world  
To reach out to the poor, to be carers of the earth  
Called to share our story, to live in Jesus' way  
People of courage, people of faith

*Repeat Chorus*
