

COME TO THE ALTAR

Music and Lyrics by Drew Lane (C) 2016, Andrew Lane

Humbly we come to You Lord
With hearts that are open wide
Recalling the night before You
Went to be crucified
The bread is your body
The wine is your blood

*Come to the altar
Come and receive
Come as you told us
"Do this in memory
Of Me"*

No greater love has ever
Been offered to human kind
Than the love of God the Father
When Jesus was crucified
The bread is your body
The wine is your blood

*Come to the altar
Come and receive
Come as you told us
"Do this in memory ..."*

*Come to the altar
Come and receive
Come as you told us
"Do this in memory
Of Me"*

The bread is your body
The wine is your blood
The bread is your body
The wine is your blood

*Come to the altar
Come and receive
Come as you told us
"Do this in memory ..."*

*Come to the altar
Come and receive
Come as you told us
"Do this in memory
Of Me"*
