

HE IS THERE

Music and Lyrics by Drew Lane (C) 2016, Andrew Lane

In the whisper
In the echo
In the silence
He Is There
In the darkness
In the daytime
In the evening
He is there
He is there

In the wander
In the dreamtime
In the heartland
He is there
In the learning
In the knowing
In the teaching
He Is there
He is there

*God is there, all around us
God is there, near or far
God is there, in every moment
No matter where we are*

In the planting
In the growing
In the harvest
He is there
In beginnings
In the journeys
In the endings
He is there
He is there

Repeat Chorus x2

In the moment
In the second
In forever
He is there
