

LET YOUR LIGHT SHINE

*Lyrics by Drew Lane and the 5/6 students of Columba, Bunyip, Victoria.
Music by Drew Lane , (C) 2016, Andrew Lane.*

Together we march to our future
Together we celebrate life
Together we stand as a people of faith
Together we all feel alive
Together we follow his footsteps
And share His light with the world

*Let your light shine
Let your voice sing
Like a dove in the sky
Let peace spread its wings
Let our hearts beat
Let our love climb
Wherever we go
Let our light shine*

Together we all stand united
Together we all walk with pride
Together we matter whoever we are
Together we show what's inside
Together we follow Lord Jesus
To share His light with the world
