

THE CALL

Music and Lyrics by Drew Lane (C) 2016, Andrew Lane

He calls to the mountains and calls to the seas
He calls to the mountains and calls to the seas
He calls to the rivers and calls to the trees
He calls to the rivers and calls to the trees
He calls to the earth and He calls to the sky
He calls to the earth and He calls to the sky
He calls to the wind, and the rain and fire
He calls to the wind, and the rain and fire

He calls to the mountains and calls to the seas
He calls to the mountains and calls to the seas
He calls to the rivers and calls to the trees
He calls to the rivers and calls to the trees
He calls to the earth and He calls to the sky
He calls to the earth and He calls to the sky
He calls to the wind, and the rain and fire
He calls to the wind, and the rain and fire

Go out and meet all nations - Go out and reach them all
Go out and shout God's glory - Jesus gives to us the call
Go out and meet all nations - Go out and reach them all
Go out and shout God's glory - Jesus gives to us the call

He calls to the young and He calls to old
He calls to the young and He calls to old
He calls to the meek and He calls to the bold
He calls to the meek and He calls to the bold
He calls to the weak and He calls to the strong
He calls to the weak and He calls to the strong
He calls with the word and He calls with the song
He calls with the word and He calls with the song

Go out and meet all nations - Go out and reach them all
Go out and shout God's glory - Jesus gives to us the call
Go out and meet all nations - Go out and reach them all
Go out and shout God's glory - Jesus gives to us the call
Jesus gives to us the call
Jesus gives to us the call
