

God Is Good

Music and lyrics by Drew Lane. (C) 2014, Andrew Lane.

God made all creation
God made you and me
God made all the stars about
And the water in the sea
God knows all about us
God hears all our prayers
God gives us all good things
'Cause is always there

*'Cause God is good, God is very good to me
God is good, God is very good to me
God is good, God is very good to me
God is good, God is very good to me*

God is for the biggest
God is for the small
God is there for one of us
And God is there for all
God calls us to follow
God calls us to pray
God calls us to just believe
The Life, the Truth, the Way!

Repeat Chorus
