

## **Lord, I am Your Servant**

### CHORUS

Lord, I am your servant  
Your word it guides my heart,  
my hands each day  
Stay with me I pray, guide me in your ways  
Mould me to be evermore like you

My trust is in you Lord  
You know the righteous path  
The humble, faithful servant you will save  
And though the road is rough and lonely  
Your promise keeps me strong  
Protect me Lord and guide me home to you.

### CHORUS

My faith is in you Lord  
You've shown your love for me  
With thanks and praise I give myself to you  
I listen for your voice,  
I'm ready for your call  
You are my God, my refuge and my strength!

### CHORUS
