

## Lord We Hear Your Call

Words: Jane Mitchell Music: Drew Lane

We walk this road together, though we carry different loads

You are a child of God just as I am.

I hold my hand out to you, I welcome you as friend

Together as disciples in God's name.

Lord, we hear your call! We gather here as one.

Together we know we can find a way

To make a difference in our world

To take your message to our world

\*We gather here as one, show us the way!

\*(final) We gather here as one show us the way

We gather here as one show us the way

We come to hear your message, we gather in your name

Your word is in our hearts and on our lips

You dare us to be different, you challenge us to try

To be your hands and heart on earth today!

We hear your call to Eucharist, you are the bread of life

The cup of our salvation dearly won

We hunger for your presence, we're thirsting for your peace

Lamb of God, we are one in you.
