

Our Faith is Our Strength

for St. Catherine of Sienna, Berwick

Words by Jane Mitchell

Arranged by Drew Lane

Because we believe in a God of forgiveness,
We are forgiving we're people of peace,
Because we believe in a God of compassion,
We're people of mercy, united we're people of hope.

CHORUS

Our faith is our strength, our shield and our courage
Together we're learning, together we're strong.
Our faith is our strength, we're living the Good News
With hearts full of love, Together, we enter the song.

Because we believe in a God who is loving,
We're people of justice, we're people of love
With the Spirit to guide us, to show us the way,
We bring forth the Kingdom of God everyday

Repeat Chorus twice.
