

Rise up

Words and Music by Jane Mitchell

Rise up, Go out, Go now to the world

Go out to all lands

Be my voice, be my hands

Rise up, go out, go now, live in peace

I send you, my people, my friends

Carry my light, my spirit of hope

To others who live in darkness

Brighten their lives with justice and love

My kingdom begins with you!

CHORUS

Rise up, Go out, Go now to the world

Go out to all lands

Be my voice, be my hands

Rise up, go out, go now, live in peace

I send you, my people, my friends

People of faith, go forth hand in hand

Together we'll heal with forgiveness

You're called to be righteous, faithful and strong

Go out, be my people of hope

CHORUS
