

We Come To Your Table (Offertory)

Words and Music by Jane Mitchell

We come to your table
As your friends did
We come to share a meal
As your friends did
Bringing gifts from field and vine
No longer to be bread and wine
We come to your feast
We come to your feast

We come to your table
As your friends did
We come to share a meal
As your friends did
Ancient stories here retold
Sacred myst'ry to unfold
We come to your feast
We come to your feast

We come to your table
As your friends now
We come to share a meal
As your friends now
Make us worthy, Make us whole
Nurture body, comfort soul
We come to your feast
We come to your feast
We come to your feast
