

We Come To Your Table (Communion)

Words and Music by Jane Mitchell

We come to your table
As your friends did
We come to share a meal
As your friends did
Sharing gifts from field and vine
No longer simply bread and wine
We come to your feast
We come to your feast

We come to your table
As your friends did
We come to share a meal
As your friends did
Blessed myst'ry, sacrament
Strengthening our covenant
We come to your feast
We come to your feast

We come to your table
As your friends did
We come to share a meal
As your friends did
In your mem'ry flesh and blood
Abiding presence endless love
We come to your feast
We come to your feast

We come to your table
As your friends now
We come to share a meal
As your friends now
