

Our Faith Is Our Strength

Lyrics by Jane Mitchell, Music by Drew Lane. (C) 2014, Jane Mitchell/Andrew Lane.

Because we believe in a God of forgiveness
We are forgiving, we're people of peace
Because we believe in a God of compassion
We're people of mercy, united, we're people of hope

*Our faith is our strength, our shield and our courage
Together we're learning, together we're strong
Our faith is our strength, we're living the good news
With hearts full of love, together we enter the song*

Because we believe in a God who is loving
We're people of justice, we're people of love
With Jesus to guide us, to show us the way
We bring forth the kingdom of God every day

Repeat Chorus x2
