

# **Our Lady Help of Christians**

*By Andrew Chinn*

*in consultation with the school community of OLHC, Epping, NSW*

***With faith in our God, you opened your arms  
You offered your life, you opened your heart  
May we open our hearts to God every day  
Our Lady Help of Christians show the way***

*Our Lady of Faith you answered God's call  
Mother of Jesus, a mother for all  
May we say yes to the call of our God  
Called to God's family, welcomed in love*

*Our Lady of Grace, you walked with God's Son  
You walked in his footsteps on a journey of love  
May we follow in those footsteps on our journey of life  
Walking with Jesus, side by side*

*Our Lady of Mercy, by his Cross you cried  
Our Lady of Hope, you knew he would rise  
May we reach out in justice and love  
To be people of hope, people of God*
