

Over the Mountains

By Andrew Chinn

**Over, over the mountains,
over the valleys and on to the sea
I'll sing to our God of the North and the South
Sing to our God of the West and the East**

God of creation, oh let my heart sing
Sing of the glory in all living things
Sing of the wonders of this great land
We sing of your glory, we sing hand in hand

Son of God, Good News for the world
May your song ring out to all of the earth
Christ of my heart, Christ of my soul
I sing of your love, wherever I go

Spirit of God, bringer of peace
May we sing the one song, may your Spirit run deep
May our hearts become one, hearts on fire
Bringer of hope- a world afire!
