

Children of the Lord

We are brothers and sisters,
We are fathers and sons,
We are mothers and daughters
And we are one.

We are brothers and sisters,
We are fathers and sons,
We are mothers and daughters
And we are one.

**One family, children of the Lord,
One family, together we belong,
One family we are children of the Lord,
We are children of the Lord.**

One Holy Spirit, one Holy Sacrifice,
One faith, one Church one people,
We are one body of Christ.

One Holy Spirit, one Holy Sacrifice,
One faith, one Church one people,
We are one body of Christ.

**One family, children of the Lord,
One family, together we belong,
One family we are children of the Lord,
We are children of the Lord.**

Together we stand,
Together we sing one song,
Together we are many gifts to the world,
Together we are strong.

Together we stand,
Together we sing one song,
Together we are many gifts to the world,
Together we are strong.

**One family, children of the Lord,
One family, together we belong,
One family we are children of the Lord,
We are children of the Lord.**
