

Good Shepherd

You are my shepherd, you go before me,
Showing the way along the rocky narrow path,
Through the danger, through the darkness,
You lead me to green pastures,
Calling me on, you are my shepherd,
My good shepherd.

**Good Shepherd, you go before me,
Good shepherd, walking beside me,
Good shepherd, where I go you follow,
You are the good, good shepherd.**

You are my shepherd, walking beside me,
Sharing this journey, sharing our lives,
You know who I am,
You are my companion,
Calling my name, you are my shepherd,
My good shepherd.

**Good Shepherd, you go before me,
Good shepherd, walking beside me,
Good shepherd, where I go you follow,
You are the good, good shepherd.**

You are my shepherd, where I go you follow,
If I am lost, If I should wander from the path,
Over mountains, through the valleys,
You search until you find me,
Calling me home, you are my shepherd,
My good shepherd.

**Good Shepherd, you go before me,
Good shepherd, walking beside me,
Good shepherd, where I go you follow,
You are the good, good shepherd.**
