

Joyful Generation

(2018 Australian Catholic Youth Festival Official Theme Song)

2, 3, 4,
Oh Oh Oh Oh Oh!
Oh Oh Oh Oh Oh!

You are our risen king,
You make our spirits sing,
Lifted on eagle's wings,
We're a joyful generation.

Your love has set us free,
Abounding in your mercy,
The lame can walk, the blind can see,
We're a joyful generation.

***Your joy comes in the morning, Our strength to last the night.
O Lord we go to new horizons walking in your light.
New hope for those abandoned, theirs is the Joy of Christ.
We go to new horizons spreading your joyful, joyful light.***

2, 3, 4,
Oh Oh Oh Oh Oh!
Oh Oh Oh Oh Oh!

You call us each by name
Send us forth with hearts enflamed
Your glory glory we proclaim
We're a joyful generation.

***Your joy comes in the morning, Our strength to last the night.
O Lord we go to new horizons walking in your light.
New hope for those abandoned, theirs is the Joy of Christ.
We go to new horizons spreading your joyful, joyful light.***

Spirit fill our hearts with joy.
Open our eyes to new horizons.
Spreading joy to the ends of the earth,
By the light of Christ we go.

***Your joy comes in the morning, Our strength to last the night.
O Lord we go to new horizons walking in your light.
New hope for those abandoned, theirs is the Joy of Christ.
We go to new horizons spreading your joyful, joyful light.***

2, 3, 4,
Oh Oh Oh Oh Oh!
Oh Oh Oh Oh Oh!
Oh Oh Oh Oh Oh!
Oh Oh Oh Oh Oh!
