

To Us Christ Is All

***Seeing Christ in each other, God's only Son
In Jesus we live, in Him we are one
One in our faith, One in God's love
One in Christ Jesus
To us Christ is all! To us Christ is all!***

*1 Our journey begins in our place by the sea
With hearts that are humble hearts that are free
In this heart of creation God with us always
With hope in our hearts we journey in faith*

*2 We journey together we walk hand in hand
In the hearts that bind us, together we can
Together we learn, together we grow
We are Jesus people, we reach out in love*

*3 We journey onwards, reach out to the world
God's Spirit in our hearts, we'll live God's Word
We boldly go forward, together as one
With courage in our hearts, united in love*
