

## **Two Or More**

Music and lyrics by Drew Lane. (C) 2014, Andrew Lane.

We stand by the Word we believe  
Strong in who we are, what we receive  
Following the Light that fills our heart  
Here upon the Rock we'll never part

*Where two or more are gathered together  
There God stands among us all  
Through the highs and lows  
Where the wind may blow  
We'll rise unto the call  
Hand in hand with voices singing  
We are the people of the Lord  
Forever in our journey we'll remember  
God's there in two or more*

In all we do, in all we learn  
Throughout our lives, a fire burns  
The friends we make, the paths we take  
God's in our lives in every way

*Repeat Chorus*
