

## **When I Come**

Music and lyrics by Drew Lane. (C) 2014, Andrew Lane.

When I come to bend my knees  
I remember what You've given to me  
When I come to close my eyes  
I remember how You've been by my side  
When I come to bow my head  
I remember every story I've read  
And so I know that this is true  
I'm forgiven with my faith in You

When I come to say a prayer  
I remember that You're always there  
When I come to ask for peace  
I remember that You're living in me  
When I come for forgiveness Lord  
I remember in Your eyes I'm adored  
And so I know that this is true  
I'm forgiven with my faith in You

When I come in times of need  
I remember that You've set me free  
When I come in times of test  
I remember that in You I can rest  
When I come to ask Your way  
I remember what You've given each day  
And so I know that this is true  
I'm forgiven with my faith in You
