

## SONG OF THE SPIRIT

This is our journey - This is our day  
To walk in the Truth - And the Light of His way  
We raise up our voices - And worship the One  
God, Holy Spirit and Son

Here in beginnings - Here in our ends  
Here with our family - Here with our friends  
Today or tomorrow - Wherever we go  
This is the love that we know  
So we sing

*Oh way oh - this is the song of our spirit*  
*Oh way oh - this is the song of our soul*  
*Oh way oh - this is the song of our future and past*  
*We are one - Together we're whole*

We're called to be humble - Gentle and kind  
To love one another - Our hearts are combined  
A promise unending - That wraps us in care  
This is the hope that we share

We walk in His footsteps - We follow His path  
One Lord, and One spirit - One hope, we hold fast  
With faith that unites us - And eyes to the Son  
We lift up our voices as One  
As we sing

### *Chorus*

Let's gather together - No matter our call  
A nation of people - God covers us all  
With hearts of compassion - And Spirits anew  
This is the faith we hold to  
So we sing

*Oh way oh - this is the song of our spirit*  
*Oh way oh - this is the song of our soul*  
*Oh way oh - this is the song of our future*  
*Oh way oh - this is the song of us all*

*Oh way oh - this is the song of our spirit*  
*Oh way oh - this is the song of our soul*  
*Oh way oh - this is the song of our future and past*  
*We are one*  
*Together we're whole*

## **WE BELIEVE**

Music and Lyrics by Drew Lane © 2018

Now - now is the time  
Here in this place  
Where we have come together  
One - gathered as one  
Sharing our faith  
Holding it true forever

We are the children of the Holy Father High Above  
We have the call to go and tell all nations of His love  
Now - now is the time  
We stand as one  
Ready to lift our praise to You

*We believe in God the Father  
Jesus Christ, the Holy Spirit  
Three in one, the Holy union  
We believe  
We believe He died to save us  
And will come again to raise us  
And to take us to His Kingdom  
We believe*

Now - now is the time  
Here in this place  
Where we will lift our voices  
Up - united as one  
Singing this song  
It is our declaration

We are the people who are walking in His Holy light  
We are the people who believe His power and His might  
Now - this is the time  
This is our chance  
So we will lift our praise to You

*We believe in God the Father  
Jesus Christ, the Holy Spirit  
Three in one, the Holy union  
We believe  
We believe He died to save us  
And will come again to raise us  
And to take us to His Kingdom  
We believe*

*We believe x3*

*We believe in God the Father  
Jesus Christ, the Holy Spirit  
Three in one, the Holy union  
We believe*

*Repeat Chorus*

## **MARY PRAY FOR US**

© 2017, *Music and Lyrics by Drew Lane.*

You who went to a stable  
You who gave your heart  
You who trusted the angel  
To guide you from the start  
You whose tears were falling  
You whose faith was strong  
You who knew what was to come  
To you we sing this song

Mary, pray for us  
Mary, pray for us  
Mary, pray for us  
Pray for us

You who was taken to Heaven  
Raised as body and soul  
You who's bathed in sunlight  
You who prays for us all  
You who answered 'yes' to God  
And gave no matter the price  
You who stands with starlight, and  
You, the mother of Christ

Mary, pray for us  
Mary, pray for us  
Mary, pray for us  
Pray for us  
Pray for us  
Pray for us

## **GO TO YOUR HEART**

*Music and Lyrics by Drew Lane © 2018*

Show me my quiet place  
The desert to where I'll go  
To remember what I've been given  
And remind of the love I should show  
Prepare my heart to receive  
To hear the call from You  
To be ready to go out  
And make my spirit renewed

*Help me go to Your heart  
Show me how I can live  
Let me give up my hurts  
Teach me how to forgive  
Help me reach to the lost  
To the poor, those apart  
Help us find our way to You  
And go to Your heart*

You called us all to follow  
You called to believe  
You gave Yourself on the cross  
So everyone could receive  
And as we take this journey  
Through the roads of life  
Give me the courage to reach out  
With Your hands, Your heart and Your eyes

*Chorus*

In this time of fasting  
In this time to recall  
In this time to remember  
What You've given for all

*Chorus*

Terrigal

Lord God help us to be  
As one community  
To love and learn and grow together

With our family and our friends  
To turn to and depend  
And to walk with them in life forever

As one community  
To love and learn and grow together

With our family and our friends  
To turn to and depend  
And to walk with them in life forever

Pray for us  
Pray for us  
Pray for us  
Pray for us

King of the weak  
King of the poor  
King of the broken  
Highly adored  
King of salvation  
King of all hope

And after there's none  
Forever I'll praise You

You are Almighty  
in all that You do*

King of the old  
King of the young  
King of our endings  
And where we've begun  
King of the mountains  
King of the seas  
King of all glory  
And all we can see

*Repeat Chorus*

## **ALWAYS**

*Music and Lyrics by Drew Lane © 2018.*

**BASED ON ACTS 17:28**

In God we live  
And beat with His heart  
His spirit inside  
Never apart  
Given through faith  
To all who believe  
We are united

In God we move  
And reach with His hands  
To care for the lost  
And understand  
We walk with His heart  
And go out to all  
Standing united  
And we sing

*Age to age  
Til the end of days  
God is here with us  
Always  
Heart to heart  
Never set apart  
God is by our side  
Always*

In God we pray  
Bowing our heads  
Trusting His word  
And all Jesus said  
We lift our voice  
In word and in song  
We are united

In God we are  
All we can be  
A light in the dark  
For all to see  
To stand on a hill  
A shine to the world  
We are united  
So we sing

*Repeat Chorus*

In God there's hope  
In God there's peace  
A love above all  
Never to cease  
In God there's love  
Forever and all  
In God united  
So we sing

*Repeat Chorus*

## GOD IS ALWAYS THERE (JONAH'S SONG)

God said to a man named Jonah  
"I've got a message to give  
Go to the town of Ninevah  
And teach them how to live"

Now Jonah was a little bit nervous  
He didn't like the people there  
So Jonah decided to run away  
And grab a boat to anywhere

*But what he didn't know (what didn't he know?)  
Here's what he didn't know!  
Wherever you Go, yes wherever you go  
God is always there, God is always there  
Wherever you Go, yes wherever you go  
God is always there*

While Jonah was a sleep and dreaming  
A storm came blowing in  
The sailors began to panic and shout  
Wonderin' what was Jonah's sin

Jonah told them he was running  
From what God wanted him to say  
So the sailors picked him up and threw him over the edge  
And he was swallowed up by a whale!

*But what he didn't know (what didn't he know?)  
Here's what he didn't know!  
Wherever you Go, yes wherever you go  
God is always there, God is always there  
Wherever you Go, yes wherever you go  
God is always there*

For three long days and nights  
Jonah sat there in the whale  
He did a lot of thinking and praying loud  
To God for running away

God said to whale, "Let him go!"  
And Jonah came tumbling out  
Finally he went to Ninevah  
And told them what God was about

*And now they all knew (yes they all knew)  
Here's what they knew!  
Wherever you Go, yes wherever you go  
God is always there, God is always there  
Wherever you Go, yes wherever you go  
God is always there*

*Wherever you Go, yes wherever you go  
God is always there, God is always there  
Wherever you Go, yes wherever you go  
God is always there*

To be all that we can be  
Hand joined in hand  
Children of peace

## GONNA BUILD A HOUSE

*Music and Lyrics by Drew Lane © 2018*

God's gonna build a house (God's gonna build a house)  
Gonna build it really big (Gonna build it really big)  
Gonna have a lot of rooms (Gonna have a lot of rooms)  
Gonna let His people in

God's gonna build a house (God's gonna build a house)  
Gonna build it really big (Gonna build it really big)  
Gonna have a lot of rooms (Gonna have a lot of rooms)  
Gonna let His people in

Do not let your heart be troubled  
Just believe in Me  
I go to prepare a place  
So you can be with Me

*Repeat Chorus*

I am the Way, the Truth, the Life  
The Father is through Me  
If you know Me, then you know Him  
The Kingdom you will see

*Repeat Chorus*

## CANDLELIGHT

*Music and Lyrics by Drew Lane (C) 2018*

Let us light a candle  
Let the flame burn bright  
To remind us of the people  
Who have walked with us in life

Let us light a candle  
Let it flicker, let it grow  
As we remember seasons  
That moves us to and fro

And as we light a candle  
Let us bring to mind  
The One who calls to everyone  
To let our light so shine

*It's the light of Christ in our lives  
That others see in our hearts and our eyes  
So we lift our prayers to You  
And for all the things You do  
In the glow of the candlelight*

Let us light a candle  
Let us feel the glow  
Let it whisper to our spirit  
A love we need to show

Let us light a candle  
Let it sparkle, let it shine  
Let it show to those in darkness  
The Hope for all mankind

And as we light a candle  
Let us bring to mind  
The One who calls to everyone  
To let our light so shine

*Repeat Chorus*

## **GO OUT!**

*Music and Lyrics by Drew Lane © 2018, Andrew Lane*

Jesus said to walk walk walk  
Jesus said to talk talk talk  
Jesus said to tell the world  
Of the love of God

Jesus said to run run run  
Jesus said to everyone  
Jesus said to tell the world  
Of the love of God

*Go out! (Go out!)  
Into the world  
And tell the world the love of God  
Go out! (Go out!)  
Into the world  
And tell the love of God*

Jesus said to lend a hand  
Jesus said to understand  
Jesus said to show the world  
Here's the love of God

Jesus said to seek the poor  
Jesus said at every door  
Jesus said to show the world  
Here's the love of God

*Go out! (Go out!)  
Into the world  
And show the world the love of God  
Go out! (Go out!)  
Into the world  
And show the love of God*

*Go out! (Go out!)  
Into the world  
And show the world the love of God  
Go out! (Go out!)  
Into the world  
And show the love  
From God above  
Here's the love of God!*

I can run  
I can sing  
I can jump  
I can do anything  
I can dance  
I can hop  
I can play  
And I'm not gonna stop  
There is nothing I can't do  
With God who gets me through

*I can do all things - Jesus makes me strong  
I can do all things - in Him we all belong  
I can do all things - that's why I sing this song  
I can  
I can do all things - Jesus makes me strong  
I can do all things - in Him we all belong  
I can do all things - that's why I sing this song  
I can*

I can climb  
I can reach  
I can swim  
In the pool, at the beach  
I can bounce  
I can swing  
I can dream  
From Summer to Spring  
There is nothing I can't do  
With God, I know it's true

*I can do all things - Jesus makes me strong  
I can do all things - in Him we all belong  
I can do all things - that's why I sing this song  
I can  
I can do all things - Jesus makes me strong  
I can do all things - in Him we all belong  
I can do all things - that's why I sing this song  
I can*

I can be whatever I believe I can  
I have faith, and I have hope,  
In God's great plan

*I can do all things - Jesus makes me strong  
I can do all things - in Him we all belong  
I can do all things - that's why I sing this song  
I can  
I can do all things - Jesus makes me strong  
I can do all things - in Him we all belong  
I can do all things - that's why I sing this song  
I can*

## **Horizons Of Hope**

*Music and Lyrics by Drew Lane, © 2017, Andrew Lane.*

Inspired by *Horizons of Hope*, the new RE framework for the Archdiocese of Melbourne

As the sun comes up each morning  
And as the moon lights up the night  
From the borders of our country  
Across waters blue and bright  
From our hearts that beat united  
And our hands that reach to care  
We are called to inspire others  
With our faith in God to share

*We are learning with each other  
We are following His way  
We are witnessing the Good News  
In all we do and all we say  
We are standing up united  
A tapestry, a kaleidoscope  
When we look to the Son  
We see horizons of hope*

As we strive to make a difference  
And embrace our differences  
As we search to find the truth and  
To live how Jesus says  
As we travel on this journey  
On a path of faith and love  
We will understand each other  
With the hope of God above

*We are learning with each other  
We are following God's way  
We are witnessing the Good News  
In all we do and all we say  
We are standing up united  
A tapestry, a kaleidoscope  
When we look to the Son  
We see horizons of hope*

Oh ...

*We are learning with each other  
We are following God's way  
We are witnessing the Good News  
In all we do and all we say  
We are standing up united  
A tapestry, a kaleidoscope  
When we look to the Son  
Yes, we look to the Son  
When we look to the Son  
We see horizons of hope*

## **SEASONS OF OUR LIVES**

*Music and Lyrics by Drew Lane © 2018*

When the sun is shining above us  
And the leaves fall from the trees  
When the nights are cold and they're dark  
Or new life begins to see  
When the weeks fly by so quickly  
Or days can seem very long  
We ask you God to hold us close  
And help us to be strong

When we long to be united  
When we need to be all alone  
When we're trying to be stronger  
Or we're weak down to the bone  
When we're looking far down a tunnel  
Just searching for the light  
We ask you God to bring us comfort  
And help us through the night

*There's a time to reap and a time to sow  
A time to come and a time to go  
A time to mourn and then a time to dance  
There's a time to laugh and a time to cry  
A time to live or to say goodbye  
These are the seasons of our lives*

When our heart is beating faster  
When our mind is at a race  
When our breath is needing calm  
Or our spirit needs Your grace  
When we do not seem to be able  
To take just one more step  
We ask you God to be here with us  
And in You find our rest

*Repeat Chorus*

## **IN MY HANDS**

*Music and Lyrics by Drew Lane. © 2020, Andrew Lane*

Do not fear, for I am with you  
Nor dismay, for I will see you through  
I'll raise you up and give my strength to you  
And hold you in my hands

Do not fear, for I have chosen you  
Throughout the Earth, I have chosen you  
I am your God, my promises are true  
I'll keep you in my hands

### *Instrumental*

Do not fear, I am the First and Last  
I am He, from generations past  
And forevermore, I will hold you fast  
And keep you in my hands  
I'll keep you in my hands

## AS YOU GO (Faith Version)

Music and Lyrics by Drew Lane © 2017, 2018

Be humble as you go  
Be tender and be wise  
Remember all you've learned  
Believe your heart and mind  
Be gentle and be firm  
Trust in the things you know  
And listen to the Spirit  
It's with you as you go

### *Instrumental*

Be humble as you go  
Be tender and be wise  
Remember all you've learned  
Believe your heart and mind  
Be gentle and be firm  
Trust in the things you know  
And listen to the Spirit  
It's with you as you go

Take courage as you go  
Be mighty and be true  
Remember family  
We are a part of you  
Be patient and be kind  
Rest in the love we show  
And listen to the Spirit  
It's with you as you go  
And listen to the Spirit  
It's with you as you go
