

# God Made Them All

God made the creatures of the land  
The monkeys and the apes, the orangutans  
The elephant and the kangaroo  
The lions and the tigers too!

**Oh, way oh! God made them all!**  
**Oh, way oh! God made them all!**

God made the creatures of the sea  
The bream and the cod and the barramundi  
The whales and the dolphins, the octopus  
And over by the river a platypus

God made the creatures of the sky  
The birds of the heavens that fly so high  
Kookaburra, eagles and cockatoos  
The ones that don't fly, kiwis and emus!

**Oh, way oh! God made them all!**  
**Oh, way oh! God made them all!**

**Oh, way oh! God made them all!**  
**Oh, way oh! God made them all!**
