

## **Reconciliation Song**

Words and Music by Jane Mitchell

Lord of my heart, I come to you  
Needing your love, needing forgiveness  
Hold me and heal me, show me the way  
I can make right the wrong when I stray

Hold me and hear me Fill me with peace Help me to find my way
---

Lord of my heart, I come to you  
Lord I am torn I need your wholeness  
Lead me and guide me, be here beside me  
Give me the courage to choose what is right
