

Little Things With Great Love

By Andrew Chinn in consultation with the school community
of St Therese Catholic School, Colonel Light Gardens, SA

***Little things with great love
I am called by our God
St Therese, little flower
Like a seed I will grow in God's love***

1. Live in harmony with each other
Carry each other in your heart
Gathered together, as sisters and brothers
Walking together in God's light
2. Love one another as I have loved you
Hand joined with hand in God's love
Many paths come together on our journey to you
All loved by God, in you we are one.
3. May the grace of God be upon us all
And may God be glorified in all things
Heart Full of grace, heart full of joy
With God's grace in my heart, my spirit sings
4. Take courage, Jesus said, I am here
I am with you till the end of days
With my Spirit in your heart you need never fear
With that flame in your heart go out in faith
