

## **Love Faith Hope**

Music and lyrics by Drew Lane. (C) 2014, Andrew Lane.

*We sing of love - God's love  
And peace - the peace of Heaven  
Joy - the joy of God is here  
We sing of hope - our hope  
And faith - The faith in God  
And love - we're singing of God's love  
It's God's great love*

Love is patient, love is kind  
Love it never fails  
Love it always hopes, it always trusts  
Love protects and love endures  
Love it never fails  
In everything we do love is a must

### *Repeat Chorus*

He calls us to be strong in faith  
Believe and take a stand  
Let courage be the light that guides our way  
It's faith that shows us who we are  
And faith that fills our heart  
With Jesus by our side in every day

### *Repeat Chorus*

Our hope in God is good and strong  
And hope will make us bold  
To tell the world of everything He's done  
With love and faith and hope combined  
There's nothing we can't do  
And the greatest peace of God is from His love

### *Repeat Chorus*
