

There I Will Be (A Parent's Prayer)

Written with and dedicated to Jane Harris

1. May your spirit run free, be all you can be
May you live life to the full
Live in each moment, cherish each moment
And live in the peace of us all

**Life becomes hope, hope becomes love,
and my love goes round and round and round
My love goes round and round**

2. May you live love, and may you live hope
And may you always walk on
Be the hope, be the peace, be the change we shall see
Bring hope and love to all

***Have faith in yourself and there I will be
Hope will last for eternity
I believe in you, hope will guide as you go
And love will light the way***

3. May you live in my love, wrapped in my arms
And may you love others too
A touch of the hand, A gift from my heart
And know I am always with you
