

Shine The Light Of Me

Music and lyrics by Drew Lane. (C) 2014, Andrew Lane.

To those who are hungry - give them food
To those who are thirsty - cool their lips
To those who are lost - be their guide
To those who are shivering - give them warmth
To those who are homeless - take them in
To those who are sick - be their comfort

You said:

I'll build my church

For you are the rock

And you will go to those in need

Reach to the hurt for you are My hands

And your heart will shine the light of Me

Your heart will shine the light of Me

Repeat Verse, Repeat Chorus
