

Strong In Our Faith

Written by Andrew Chinn with and for the School Community of St Kevin's Benowa

**Strong in our faith, kind in our deeds
We grow in love, we live in peace
A rainbow of hands, and a sign of new hope
This is our school one in God's love**

Our God is here in our sacred land
From the green of the mountain to the sea and the sand
We are called to care for this gift of our world
Stewards of creation for all creatures of the earth

Jesus is here, at the heart of this place
By his holy Cross, we live in our faith
We are called by his Word to show the way
To love one another, all our lives every day

The Spirit is here, on this journey we share
In the hands that are joined and the hearts that care
We are called to share, to be people of peace
Giving thanks and praise we are a family
