

# **Thank You God!**

*By Andrew Chinn*

**Thank you God, for all creation  
Thank you God, for the love you share  
Thank you God, for giving us Jesus  
With the Holy Spirit, God is everywhere!**

We give thanks... for God's animals  
We give thanks... for birds of the air  
We give thanks... for creatures of the sea  
For all God's creation, everywhere!

We give thanks... for the love of families  
We give thanks... for friends who care  
We give thanks... for all who show your love  
For in this love, God is there!

We give thanks... for God our Creator  
We give thanks... for Jesus the Son  
We give thanks... for the Holy Spirit  
The Holy Trinity, three in one!
