

The Truth Will Set Us Free

**God calls us to the light,
calls to us each day
God calls us to be the light,
To be all that we can be
Jesus is the light of the world,
his light shows us the way
Jesus leads us to the truth,
and the truth will set us free**

***We are called to the light
Guided in our faith
Called to grow in the love of Christ
In this holy place***

***We are called to be the light
To follow Jesus' way
To be the truth, a light that shines
A disciple every day***

***We are called to shine the light
To show the way to peace
Reach out in love, the love of Christ
Be a light for all to see***
