

Pure Hearts

(Eucharistic Version)

Oh Jesus we offer you this gift of bread and wine,
So all may taste and see your goodness,
Oh Jesus we offer you our hearts make them divine,
So we may love with joy and pureness,

Burning as Your Word is spoken,
At Your table our eyes open,

**Set us on fire with your love
Write your name upon our hearts
Feel them beating, feel them beating
Feel them beating for our God**

**We are your body, heart and hand,
A sign of Christ in every land
We will see you, we will see you,
We will see you through a pure heart.**

Oh Jesus, we see you in this bread and cup of life,
Your body broken and blood outpoured
With everlasting love flowing from your sacrifice,
You are Salvation for the world

Strengthen us to bear your witness,
People who say Yes! Lord! Yes! Yes!

**Set us on fire with your love
Write your name upon our hearts
Feel them beating, feel them beating
Feel them beating for our God**

**We are your body, heart and hand,
A sign of Christ in every land
We will see you, we will see you,
We will see you through a pure heart.**

Oh oh oh oh.
