

# Sacred Heart

**Sacred heart, sacred heart,  
Love one another with a sacred heart,  
Be God's love wherever you are,  
And love one another with a sacred heart,**

*Doo, doo, doo, Doo, doo, doo  
Doo, doo, doo, doo, Doo, doo, doo*

God loves you, God loves me,  
With a love that lasts for all eternity,  
Jesus shows us God's great love,  
He loves everybody with a sacred heart.

**Sacred heart, sacred heart,  
Love one another with a sacred heart,  
Be God's love wherever you are,  
And love one another with a sacred heart,**

*Doo, doo, doo, Doo, doo, doo  
Doo, doo, doo, doo, Doo, doo, doo*

Jesus heard his people cries,  
He listened to the stories of the marginalized,  
With hunger for justice, His heart would heed,  
He was filled with compassion for those in need.

**Sacred heart, sacred heart,  
Love one another with a sacred heart,  
Be God's love wherever you are,  
And love one another with a sacred heart,**

*Doo, doo, doo, Doo, doo, doo  
Doo, doo, doo, doo, Doo, doo, doo*

Jesus taught us what to do,  
He said, "love one another as I have loved you,"  
Love your neighbor, and love your God,  
And love one another with a sacred heart.

**Sacred heart, sacred heart,  
Love one another with a sacred heart,  
Be God's love wherever you are,  
And love one another with a sacred heart,**

*Doo, doo, doo, Doo, doo, doo  
Doo, doo, doo, doo, Doo, doo, doo*
