

Upon The Altar

This gift of bread, grain harvested,
We bring to the altar.
This gift of wine, fruit of the vine
We bring to the altar.

**May this bread become his body,
May this wine become his blood,
We bring these gifts
to be blessed and made sacred
upon the altar.**

This gift of bread, sweet nourishment,
We bring to the altar.
This gift of wine, our joys our cries,
We bring to the altar.

**May this bread become his body,
May this wine become his blood,
We bring these gifts
to be blessed and made sacred
upon the altar.**

This gift of bread, our stories shared,
We bring to the altar.
This gift of wine, our lives combined
We bring to the altar.

**May this bread become his body,
May this wine become his blood,
We bring these gifts
to be blessed and made sacred
upon the altar.**
