

Welcome To All!

By Andrew Chinn with the school community of St Benedict's, Narrabundah, ACT

***Welcome to all, welcomed as Christ!
Listen and attend with the ear of your heart
Many paths but one journey,
we work, love and pray
Open hands, open hearts, This is our way!***

*To pray we are called, to be one with our God
May our hands join in prayer, together as one
In peace, in stillness, in the singing of hearts
Guided in prayer, one body we are*

*To love we are called, to love just like Christ
May our hands reach out all through our lives
Be the hands of Jesus, be the face of God
May our hearts beat as one, one in God's love*

*To work we are called, in the Spirit of God
May our hands work together, be hope for the world
with Christ as our guide we walk in God's way
To work in God's love, all our lives all our days*
